Orcutt Seed AND Plant Company

NURSERYMEN,
SEEDSMEN AND FLORISTS,
San Diego, California, U. S. A.

TRADE PRICE LIST

1889-1890.

Orders received too late for this season will be filled the succeeding season unless otherwise ordered.

TERMS CASH.

 OUR reputation as botanists ensures the greatest possible accuracy, but no guarantee, expressed or implied, accompanies goods sent out.

No Pacific Coast house can furnish the same quality of goods at more reasonable prices.

CALIFORNIA PALMS.

Washingtonia filifera, Wendl., the Californian fan or Washington palm. The Prithardla filifera and Brahea filamentosa of seedmen. Per lb., \$2.00. Per 100 seeds, 50 cents.

Washingtonia robusta, Wendl., A robust variety of the above, said to be more easily grown. Per lb., \$1.00, or 100 seeds, \$1.00.

Erythea armata, Watson. The Brahea glauca and B. Roetzlii of seedmen—the well known and beautiful blue palm. Per lb., \$3.00 or 100 seeds \$2.00.

Erythea edulis, Watson. A fine palm native to the Guadalupe Island, known to seedmen as Brahea edulis. All the Californian palms have large fan-shaped leaves, attaining a height of 30 to over 100 feet. Per lb., \$3.00 or 100 seeds \$2.00.

Brahea filamentosa. See Washingtonia filifera.

Brahea glauca. See Erythea armata.

Brahea Roetzlii. See Erythea armata.

Brahea Edulis. See Erythea Edulis.

Prithardla. See Washingtonia filifera.

Mariposa Tulips: Calochortus luteus, splen-
 dens, venustus, and its varieties—oculatus, citri-
 nus, roseus, and purpurascens, each \$2.25 per 100.
 Star Tulips: Calochortus albus, Maweanus,
 lilacinus, and pulchellus, each \$2.25 per 100.
 Choice Butterfly Tulips: Calochortus Weedii,
 per 100, \$6; Gunnisoni, \$3.50; Palmeri, \$7.50;
 Benthami, \$4.50; and Kennedyi, \$10.
 Mulla maritima, per 100, \$3.
 Brodiaea capitata, per 100, \$1.50; congesta,
 \$1.50; lactea, \$1.50; grandiflora, \$1.50; ixioideis,
 \$1.50; Multiflora, \$2.25; stellaris, \$2.25; terrestris,
 \$2.25; minor, \$5; Orcuttii, \$5; coccinea, \$2.25.
 Allium serratum, per 100, \$1.75; unifolium,
 \$1.50; haematochton, \$5.

SOME OREGON BULBS.

Lilium Bolanderi, per 100, \$60; L. pardallium-
 vars, angustifolium, puberulum and Californicum,
 \$7.50; L. rubescens, \$10; Calochortus Howellii, \$8;
 C. macrocarpum, and C. longibarbatum, each, \$2.50;
 Camassia esculenta, \$2.50; C. Leichthnii, \$5 (not
 guaranteed); Zygadenus venosus, \$2.50; Allium
 acuminatum, \$2.50; A. maddum, \$2.50; A. falca-
 tum, \$4; A. fallifolium, \$1.50.
 Erythronium grandiflorum; per 100, \$2.25; var.
 Smithii, \$4.50; var. albiflorum (true white-flowered,
 the E. giganteum of the trade), \$3; E. Hendersonii,
 \$6; E. citrinum, \$5; E. Howellii, \$5.
 Chlorogalum pomeridianum, per 100, \$5; angus-
 tifolium, \$6; parviflorum (flowering stems from 6
 inches to 6 feet high), \$10.

WEST AMERICAN FERNS

(Prices per 100 roots.)

Adiantum pedatum, \$4; emarginatum, \$3; Cap-
 illus-Veneris, \$5.
 Aspidium munitum, \$5; rigidum var. argutum,
 \$5; Sphenosium var. dilatatum, \$10.
 Asplenium trichomanes var. incisum (feather
 fern), \$10.
 Cheilanthes Californica (Lace fern), \$8; Cleve-
 landi, \$9; gracillima, \$4; myriophylla ("Fendleri"),
 \$10; viscida, \$10.
 Cryptogramme acrostioides, \$5.
 Cystopteris fragilis, \$3.
 Gymnogramme triangularis, California gold
 fern, \$4; var. viscosa, silver fern, \$4; bronze vari-
 ety, \$5.
 Lomaria splent, \$5.
 Notholaena cretacea (formerly known as can-
 dida and Californica), \$10; Newberryi, cotton fern,
 \$6; Parryi, \$20.
 Pelaea andromedaefolia, \$6; densa, \$5; Orni-
 thopus, tea fern, \$4.
 Phegopteris Dryopteris, \$3.50.
 Polypodium falcatum, \$2.50; Californicum, \$5.
 Woodsia Oregona, \$5; Scopulina, Mexicana, \$10.
 Woodwardia radicans (immense fronds, 10 feet
 high—the chain fern), \$12.
 Selaginella Douglasii, \$3; rupestris, \$2; lepidop-
 phylla (Resurrection plant), \$4.
 Club Mosses—Lycopodium anatum, per 100,
 \$8; complanatum, \$8; Clavatum, \$8; dendroidum,
 \$8; lucidulum, \$6; Selago, \$10. These mosses are
 collected for us in the woods of Vermont.

- Aquilegia formosa.
- Delphinium Menziesii, Nuttallii, trollifolium decorum, cardinale, nudicaule.
- Paeonia Brownii.
- Achlys triphylla.
- Vancouveria hexandra.
- Corydalis Scouleri.
- Dicentra chrysantha, formosa.
- Dentaria tenella.
- Cardamine angulata, paucisecta.
- Claytonia lanceolata, Sibirica, parvifolia.
- Spraguea caudiceifera.
- Lewisia rediviva.
- Sidalcea humilis, campestris.
- Geranium incisum.
- Saxifraga Parryi, Mertensiana, peltata.
- Sedum variegatum, obtusatum, Douglasii, spatulifolium.
- Bolanderia Oregana.
- Tolmiea Menziesii.
- Tiarella trifoliata, unifoliolata.
- Heuchera micrantha, rubescens.
- Parnassia fimbriata.
- Aster Douglasii.
- Erigeron Howeyi.
- Campanula rotundifolia, Scouleri.
- Dodecatheon Clevelandi (new), Jeffreyi.
- Phlox Douglasii, speciosa.
- Hydrophyllum capitatum.
- Chelone memorosa.
- Penstemon Menziesii, Newberryi, ovatus, ternatus, spectabilis.

- Synthyris reniformis.
- Calypso borealis.
- Habenaria elegans, Unalascensis, leucostachys.
- Goodyearia Menziesii.
- Cypripedium montanum, Californicum (\$12 per 100).
- Iris tenax, longipetala, macrosiphon var. flava, bracteata, Douglasiana.
- Calandrinia oppositifolia (\$10 per 100).
- Darlingtonia Californica (\$10 per 100).
- Narthecium Californicum (\$10 per 100).
- Prosartes Menziesii, Oregana.
- Cilintonia uniflora.
- Trillium ovatum, sessile, and vars. Angustifolium and Californicum.
- Veratrum Californicum.
- Stenanthemum occidentale.
- Viola chrysantha, pedunculata, ocellata.
- Oxalis corniculata, Oregana.
- Epipactis gigantea.
- Zerophyllum tenax.
- Mesembryanthemum aequilaterale (Beach strawberry), crystallinum (Ice plant).
- Cotyledon laxa, edulis, lanceolata, pulverulenta.
- Enothera cheiranthifolia.
- Monardella macrantha, villosa, nana.
- Zauscheria Californica.
- Nymphaea odorata (White Water Lily), var. minor (a smaller form.) and tuberosa, each, \$10 per 100. These are collected for us in the ponds and rivers of Vermont. Nuphar advena luteum, pumillum, and polysepalum (yellow pond lilies), from the same locality and at the same price.
